

A Halloween-themed illustration for a golf tournament. In the center, a large, glowing orange jack-o'-lantern with a carved face sits on a dark, rocky surface. Behind it, a golfer in silhouette is captured mid-swing, holding a golf club. The background features a large, bright yellow full moon, several black bats in flight, and silhouettes of bare, gnarled trees. To the left, a golf cart is parked on a path. The overall scene is set against a dark, textured background.
